Specific career advice for your unique professional journey

BOSTON UNIVERSITY

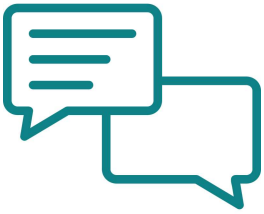
Nonvikan Karl-Augustt,

Whether you are a career starter, career changer, or career advancer, Boston University's Metropolitan College (MET) can help prepare you for success. We offer a range of resources, including:

- **World-class faculty** offering valuable career insights from decades of industry experience who serve as mentors and references
- **A career-networking community** of professional peers from a diverse range of backgrounds and industries
- **Course content, resources, and tools** available online during and after completion of your program

Connect With A Student / Alum

Interested in connecting with current students and alumni? After all, who is better to speak to the career outlook for a BU MET graduate than our own students?



CONNECT →

We also welcome you to view success stories of alumni from our Medical Information Security and Privacy Graduate Certificate program - an look forward to you joining their ranks!

Sincerely,

Julie Nguyen

Director
Student Career Development
Boston University Metropolitan College

Career-changing. Life-changing. Game-changing.
